

SHARON ROBOTICS TEAMS

Sponsorship Information & Form

Who We Are:

FIRST LEGO LEAGUE Robotics: First Lego League (FLL) is an after-school robotics team for elementary and middle school students in the Sharon City School District. A team started during the fall of 2010 with 8 students and has since grown to four teams comprising of 35 students. All teams meet on a weekly basis during the competition season from August to December. The teams are introduced to real-world engineering challenges by building LEGO-based robots to complete tasks on a thematic playing surface. In addition, students must develop an innovative solution to a real-world problem and implement their solution with the help of the community. First Lego League inspires innovation by building on science, technology, engineering and math skills. The program fosters well-rounded life capabilities including self-confidence, communication, and leadership. Teams compete at regional tournaments in Pittsburgh and at the international level depending on the success of each season.

FIRST Tech Challenge Robotics: Sharon High Robotics is an after-school high school team that is part of the FIRST Tech Challenge (FTC). FIRST Tech Challenge teams are challenged to design, build, program, and operate robots to compete in a head-to-head challenge in an alliance format. The team is part of an international program that helps students develop STEM skills and practice engineering principles (like keeping an engineering notebook), while realizing the value of hard work, innovation, and sharing ideas. The Sharon High School Robotics Team is looking for sponsorship during its third year.

Additional Information: Please call or e-mail Dave Tomko at 724-983-4015 x5221 or dave_tomko@sharonsd.org

Sponsorship Information: The Tiger Techs and Sharon High Robotics are seeking sponsorship to help offset costs of team expenses.

Expenses include:

- FLL materials (competition mat and Lego pieces for missions) needed for the 2019-2020 challenge: *City Shaper*
- FTC materials (startup materials for team such as competition supplies, robot and building supplies, computer) needed for the 2019-2020 challenge: *Skystone*
- Tournament fees for Pittsburgh/regional tournaments
- Team t-shirts
- Transportation costs

Sponsorship Levels: (Higher level sponsors receive all previous level incentives)

- **\$100** (Sponsor)- Name on team t-shirt and tournament update letter
- **\$250** (Bronze Sponsor)- Certificate and name on team banner
- **\$500** (Silver Sponsor)- Team photo signed
- **\$1,000** (Gold Sponsor)- Framed certificate/photo signed by team
- **\$2,000+** (Platinum Sponsor)- Tiger Tech T-Shirt

Deadline: Oct. 1st for t-shirt
Otherwise ongoing through the year

Payment Information:

Please write all checks to
"Sharon Robotics Boosters".

Mail payment and sponsorship form to:

Case Avenue Elementary School
